Product Description

The mid-size road caravan is equipped with a complete living system and is available in a lift version

Product Description:

Welcome to the world of leisure traveling where comfort meets convenience in our state-of-the-art Highway Trailer RV. Designed to elevate your road adventures, this RV is not just a vehicle but a mobile home packed with all the features you need for a memorable journey. Whether you're planning a weekend getaway or a cross-country tour, our Highway trailer RV promises to be your reliable partner on the open road.

At the heart of our RV's appeal is its robust vehicle level circuit design, ensuring all electrical components operate seamlessly. From the complete electrical appliances and air conditioning to the entertainment system, every aspect of your travel is covered. The RV comes equipped with a full circuit system, designed to sustain long periods of travel without faltering, providing you with uninterrupted comfort and convenience.

The interior of the Highway trailer RV is a testament to thoughtful design and craftsmanship. The living space boasts a cozy double bed and a comfortable sofa, perfect for relaxation after a day of exploration. The interior materials are carefully selected with full fire protection coverage, ensuring your safety is never compromised. The attention to detail extends to the bathroom system, featuring modern amenities that provide the comforts of home on the go. The waterway system is meticulously installed to provide a consistent supply of water, whether you're taking a shower or cooking a meal.

Entertainment on the road is a breeze with our RV's state-of-the-art entertainment system. Whether you're in the mood for music or a movie night, our system is designed to keep you and your passengers entertained throughout your journey. The air conditioning system ensures a pleasant interior climate no matter the weather outside, so you can enjoy your trip in perfect comfort.

The exterior of the Highway trailer RV is just as impressive as the interior. Featuring two doors for easy access, each is complemented by a mosquito-proof screen door to keep the outdoor nuisances at bay. The acrylic windows for RV provide ample natural light and scenic

Our Product Introduction

views while maintaining your privacy. At the tail, an acrylic light stand adds a touch of elegance and ensures visibility during nighttime travel. Additionally, the RV is equipped with a special compartment panel designed specifically for RV needs, providing extra storage space for your essentials.

With a curb weight of 1490kg and dimensions of 6710*2445*2800mm, our Highway trailer RV is a testament to durability and design optimization. The vehicle chassis is nothing short of excellence, featuring an AL-KO German original trailer chassis. This chassis is known for its electrophoretic high-strength steel, promising a stable and secure foundation for the RV. The superior build quality ensures your travels are smooth and your experiences are memorable.

The Highway trailer RV is not just a means of transportation; it's a mobile abode that encapsulates the essence of a carefree and luxurious lifestyle on the wheels. It's an invitation to explore the great outdoors without leaving the comforts of home behind. Invest in a Highway trailer RV and embark on journeys filled with excitement, comfort, and peace of mind. Your adventure awaits!

Electrical system	Car grade battery pack technology
Suspension	Dual shock absorber spiral spring independent suspension

Applications:

The HuaZhiyu LC-60 Highway Trailer RV is a luxurious and versatile recreational vehicle that is perfect for a variety of occasions and scenarios. With its origin from China, this RV is built on a robust AL-KO German Original Trailer Chassis, ensuring a smooth and stable journey no matter the destination. Its curb weight of 1490kg and body size of 6710*2445*2800mm make it a spacious and comfortable home on the road.

One of the standout features of the HuaZhiyu LC-60 is its construction, which incorporates an ENF grade bean curd board, known for its durability and environmental friendliness. This, along with the Dual shock absorber spiral spring independent suspension, provides unmatched comfort and stability, even on uneven terrains. The Electrophoretic high-strength steel chassis further adds to the vehicle's durability, ensuring that it can withstand various weather conditions and road challenges.

The exterior of the LC-60 is thoughtfully designed with two doors, a mosquito-proof screen door, and acrylic windows for RV use, offering ample natural light and ventilation while keeping the bugs at bay. The acrylic light stand at the tail provides excellent visibility for late-night arrivals at campsites. Moreover, the special compartment panel for RVs guarantees that all your storage needs are met without sacrificing aesthetics.

Perfect for long road trips, the HuaZhiyu LC-60 RV is equipped with complete electrical appliances and air conditioning, ensuring comfort in all climates. Its comprehensive circuit system is reliable and user-friendly, making it easy to manage all the onboard technology. The bathroom system is designed for convenience and hygiene, while the waterway system guarantees a steady supply of water for all your needs.

Entertainment is a breeze in the LC-60, thanks to its integrated entertainment system that provides endless hours of fun for all ages. Whether it's watching movies, listening to music, or playing games, the RV has you covered. When it's time to rest, the double bed and sofa offer the perfect retreat to relax and recharge for the next day's adventures.

Overall, the HuaZhiyu LC-60 Highway Trailer RV is an ideal choice for family vacations, cross-country tours, weekend getaways, or even as a mobile office or guest house. Its combination of luxury features, sustainable materials, and sophisticated design makes it a standout product for any travel enthusiast looking for comfort and style on the open road.

Customization:

- Brand Name: HuaZhiyu
- Model Number: LC-60

Packing and Shipping:

The Highway Trailer RV is meticulously prepared for shipping to ensure it arrives at your destination in pristine condition. Prior to packaging, a thorough inspection is conducted to guarantee all components meet our high-quality standards.

For packaging, the RV is securely anchored to a heavy-duty, custom-designed trailer frame that provides stability and prevents movement during transit. Protective coverings are applied to all windows, doors, and external features to shield them from potential damage. The entire RV is then enveloped in a durable, weather-resistant shrink wrap that safeguards against environmental elements and road debris.

Upon dispatch, the packaged Highway Trailer RV is towed by a professional shipping company specializing in oversized vehicle transport. We coordinate with trusted carriers to ensure a smooth and timely delivery. You will receive a tracking number to monitor your RV's journey and an estimated date of arrival.

Upon delivery, we recommend a thorough inspection of the RV in the presence of the delivery personnel. In the unlikely event of any shipping damage, please note it on the delivery receipt and contact our customer service team immediately for assistance.
