Product Description

Small hardtop camper trailer with LED lights, manual awnings and safety locks

Product Description:

The interior of the trailer is furnished with Khaki Premium Faux Leather, providing a sleek and stylish look that is also easy to clean and maintain. The bedroom and living room are equipped with LED reading lights for night-time reading and relaxation. The trailer features an adjustable dining table, perfect for enjoying meals or playing games with friends and family. The Hardtop Camp trailer is equipped with a kitchen system, complete with a sink, stove, and refrigerator. This makes it easy to prepare delicious meals while on the go, and enjoy them in the comfort of your own trailer. Air conditioning and heaters are provided, ensuring that you are comfortable no matter the weather. The integrated fiberglass bathroom features an exhaust fan and toilet, providing the ultimate in convenience and comfort. The Hardtop Camp trailer also features an internal/external 12V/USB socket, allowing you to charge your devices and stay connected while on the road. The trailer is powered by 4x100AH Deep Cycle Battery, ensuring that you always have power when you need it. Overall, the Hardtop Camp trailer is the perfect way to experience the great outdoors in comfort and style. Whether you're planning a weekend getaway or a longer camping trip, this trailer has everything you need to make your adventure unforgettable.

Hardtop Camp trailers provide plenty of storage space and come with an independent suspension system, making them versatile caravans for any adventure.

Applications:

The trailers come equipped with an independent suspension system that provides a smooth and stable ride, even on rough terrain. The bodywork is made from strong and durable aluminum-plastic panel material, which is resistant to impact, corrosion, and weathering. The trailers are spacious and well-equipped, with 3 European-style windows that provide ample natural light and ventilation. The windows also come with insect screens and privacy blackout curtains, which allow you to enjoy the outdoors while maintaining your privacy. The trailers are powered by 4x100AH deep cycle batteries, which provide reliable and long-lasting power for all your electrical needs. There are internal and external 12V/USB sockets, which allow you to charge your devices and appliances. The interior of the trailers is finished with khaki premium faux leather, which is both stylish and comfortable. The R16 foam insulation panels are used for the roof and bodywork, which provide excellent heat preservation and sound insulation. These trailers are suitable for a wide range of applications and scenarios, including camping, hiking, fishing, hunting, and outdoor adventures. They are easy to tow and set up, and require minimal maintenance. The minimum order quantity for these trailers is one, and payment terms are T/T. Contact us today to learn more about our HuaZhiyu Hardtop Camp trailers and how they can enhance your outdoor experience.

Customization:

Customize your HuaZhiyu Hardtop Camp trailer to fit your specific needs with our product customization services. Our trailers are manufactured in China with the highest quality materials and attention to detail. With a minimum order quantity of one, you can have a personalized trailer for your next adventure.

Our payment terms are T/T, making it easy and convenient for you to complete your purchase. The trailer is equipped with baffles/bumpers that protect the bottom of your RV and ensure safety on rough terrains.

The 12V/220V power system comes with a custom Black Series identified 2000W inverter and control panel. The trailer has both internal and external 12V/USB sockets to keep your devices charged and ready to use. The material used for the trailer is Aluminum-plastic Panel + Aluminum-sprawl Panel, making it both durable and lightweight.

The trailer is equipped with Malaysian lightweight wood cupboards with modern 5-star wood grain finish. All cabinets are supported by gas springs and have push-open travel locks and drawers. You can also enjoy your favorite entertainment with the complete entertainment system that comes with the trailer, including an HDTV antenna with a built-in safety lock. Additionally, the trailer is equipped with a toolbox to store your tools and equipment.

Support and Services:

Our Hardtop Camp trailers are designed to provide an exceptional outdoor experience, but we understand that issues can arise. That's why we offer comprehensive product technical support and services to ensure your trailer is always in top condition.

Our support team is available to answer any questions you may have about your trailer's features and functionality. We can provide troubleshooting assistance and help you identify any necessary repairs or maintenance tasks.

In addition, we offer a range of services to keep your trailer in great shape. From routine maintenance to more extensive repairs, our team is equipped to handle any job. We also offer customization services, so you can make your trailer truly your own.

At Hardtop Camp, we are committed to providing the highest level of customer service. Contact us today to learn more about our product technical support and services.
