Applications:

The control panel of the HuaZhiyu Hardtop Camp trailer is equipped with circuit breakers, digital meters, and power readings, providing you with all the necessary information on your power usage. The trailer also comes with a manual awning with 2 brackets, giving you the option to enjoy the outdoors even on a rainy day.
The interior of the HuaZhiyu Hardtop Camp trailer is equipped with LED reading lights in both the bedroom and living room, providing ample lighting for reading or other tasks. The trailer is also equipped with internal/external 12V/USB sockets, making it easy to charge your devices while on the go.
The HuaZhiyu Hardtop Camp trailer is like a second home, equipped with gas and a refrigerator, allowing you to enjoy all the comforts of home while camping. The trailer is perfect for long camping trips, as it can provide you with all the necessary amenities.
The outdoor lighting of the HuaZhiyu Hardtop Camp trailer consists of width/marker lights and front/rear LED headlights installed on both sides of the body, providing ample visibility while on the road or at the campsite.
Payment for the HuaZhiyu Hardtop Camp trailer can be made through T/T, making it easy for you to acquire.

Customization:

Our Hardtop Camp trailers by HuaZhiyu are manufactured in China and can be customized to your liking. The minimum order quantity is one, and payment terms are T/T.
Equipped with outdoor lighting, width/marker lights and front/rear LED headlights are installed on both sides of the body, ensuring visibility during night-time driving. The integrated fiberglass bathroom comes with an exhaust fan and toilet for your convenience.
For heat preservation, R16 foam insulation panels are used for the roof and bodywork, keeping you warm and comfortable during colder temperatures. A manual awning with 2 brackets provides shade and protection from the elements.
Our Hardtop Camp trailers are also equipped with high-efficiency monocrystalline flexible solar panels installed on the roof of the vehicle, up to 600W, providing a sustainable energy source. Plenty of storage space is available for all your camping gear.

Support and Services:

Our Hardtop Camp trailers are designed and built with durability and functionality in mind. We offer comprehensive technical support and services to ensure that you have a hassle-free experience with our product.
Our technical support team is available to answer any questions you may have about the setup, maintenance, and repair of your trailer. We also provide online resources, including instructional videos and user manuals, to help you troubleshoot and resolve any issues.
In addition, we offer a range of services to keep your trailer in top condition. These include annual maintenance and inspection, repair and replacement of parts, and customization options to personalize your trailer to your specific needs.
At Hardtop Camp, we are committed to providing exceptional customer service and support for our product. Contact us today to learn more about our technical support and services.
