Product Description

Monolithic aluminium roof with vents, integrated bathroom with power supply system, camping trailer with lockable bar

Product Description:

One of the standout features of our Hardtop Camp trailers is the outdoor lighting. Width/marker lights and front/rear LED headlights are installed on both sides of the body, ensuring that you have plenty of light to see by. Whether you're setting up camp or just relaxing outside, these lights will provide the illumination you need.

The Hardtop Camp trailers also come equipped with a large storage space and front toolbox. The toolbox features 2 gas tank holders and 2 oil drum holders, making it easy to transport all the supplies you need for your trip. Whether you're packing food, gear, or other essentials, you'll have plenty of room to store everything you need.

Another great feature of these trailers is the power system. The 12V/220V power system comes with a custom Black Series identified 2000W inverter and control panel, ensuring that you have all the power you need for your trip. With this system, you can easily power all your devices and appliances, including outdoor and indoor gas stoves that are available.

The roof of the Hardtop Camp trailers is made from a monolithic aluminium sheet and features a roof ventilation window, ensuring that you stay cool and comfortable no matter where you are. The Malaysian lightweight wood cupboards feature a modern 5-star wood grain finish, adding a touch of elegance to your camping experience. All cabinets are supported by gas springs and have push-open travel locks and drawers, making it easy to access all your belongings.

In conclusion, our Hardtop Camp trailers are the perfect solution for anyone looking for a comfortable and convenient camping experience. With plenty of storage space, outdoor lighting, and all the necessary amenities, these trailers are ideal for campsite caravans, weekend getaways, or extended trips. So why wait? Start planning your next adventure today!

Applications:

One of the key features of the HuaZhiyu Hardtop Camp trailer is its 3 European-style windows with insect screens and privacy blackout curtains, which provide plenty of natural light and ventilation while also ensuring privacy and protection from insects. The monolithic aluminum sheet roof with ventilation window also helps to regulate temperature and keep the interior cool and comfortable. For those who love to cook and eat outdoors, the HuaZhiyu Hardtop Camp trailer is equipped with both outdoor and indoor gas stoves, allowing you to prepare delicious meals no matter where you are. The trailer also features a water tank with triple filtration system, ensuring that you always have access to clean and fresh water. In addition to its functional features, the HuaZhiyu Hardtop Camp trailer also boasts a number of safety and convenience features, including width/marker lights and front/rear LED headlights that are installed on both sides of the body. The trailer also has baffles/bumpers that protect the bottom of your RV, as well as interior LED reading lights in the bedroom and living room. Overall, the HuaZhiyu Hardtop Camp trailer is a versatile and practical choice for anyone who loves the great outdoors. Whether you're planning a weekend camping trip or a longer adventure, this trailer is sure to provide you with everything you need to enjoy your time in nature. Place your order for the HuaZhiyu Hardtop Camp trailer today, with a minimum order quantity of one and payment terms of T/T. This trailer is made in China and is perfect for all your outdoor adventures.
