Applications:

The HuaZhiyu Tent Trailer is a versatile and practical camping solution that is perfect for outdoor enthusiasts and adventurers. With its rugged appearance and superior performance, this trailer is sure to impress. It is manufactured in China and has a minimum order quantity of one. Payment terms are T/T and supply ability is powerful factory.

The Tent Trailer is perfect for a wide variety of outdoor activities including camping, hiking, and backpacking. It is designed to be comfortable, easy and quick to set up, making it ideal for those who want to spend more time enjoying the great outdoors and less time setting up camp. The large sleeping area provides ample space for two people to comfortably sleep, ensuring a good night's rest after a long day of outdoor activities.

One of the unique features of the HuaZhiyu Tent Trailer is its ability to generate electricity. The 2 x 150w rooftop mounted solar panels can charge the included 2 x 100ah deep cycle batteries, ensuring that you always have access to power, no matter where you are. This makes it perfect for those who want to stay connected while enjoying the great outdoors.

Another key feature of the Tent Trailer is its fully quantifiable customization. This means that you can personalize the trailer to your specific needs and preferences, ensuring that you have the perfect camping solution for your next outdoor adventure. Additionally, the trailer is designed for safer operation, ensuring that you can enjoy your camping experience without worrying about safety concerns.

The Tent Trailer is suitable for a wide range of application occasions and scenarios. It is perfect for weekend getaways, family vacations, and even long-term camping trips. Whether you are looking for a comfortable place to sleep or a convenient way to generate electricity while camping, the HuaZhiyu Tent Trailer is the perfect solution for all your outdoor needs.

Customization:

The diversify features of our Tent Trailer are backed by rugged appearance and superior performance. The all-terrain tires can cope with any road condition and the trailer is equipped with two main tires and two spare tires.

Our Tent Trailer is also designed with your convenience in mind. With customizable patterns, you can make it your own. It also accommodates any 12v refrigerator, making it easy to keep your food and drinks cool during your camping trip.
