Product Description

Counter Booth Meeting Area Hotel Trailer with Double Bed and Eco-friendly Curtain

Product Description:

One of the features that set us apart from other hotel trailers in the market is our car door. Our trailers come with an imported two-section door that makes it easy for you to get in and out of the trailer without any hassle. The door is also equipped with an anti-mosquito screen door that keeps unwanted bugs out while providing proper ventilation. Meanwhile, our two-section passenger door with a screen window is another great feature that allows you to easily get in and out of the trailer.

Our Hospitality Trailers also come with a standard configuration television that provides entertainment during your stay. You don't have to worry about missing your favorite shows or movies while on the road. You can relax and unwind while watching TV in the comfort of your hotel trailer.

Another great feature of our Hospitality Trailers is the support system. Our trailers come with a manual front support wheel and four manual auxiliary legs that provide stability and support. You don't have to worry about the trailer being unstable during your stay.

If you're looking for hotels with tractor trailer parking near me or a park model RV, our Hospitality Trailers are the perfect alternative. You don't have to spend a lot of money on hotel stays or worry about finding accommodation while on the road. Our trailers provide all the comfort and convenience you need for a comfortable and enjoyable stay.
