

Hard Top Camping Trailer RV Elegant Travel Trailer Resort Grade Luxury

Our Product Introduction

for more products please visit us on huazhiyurv.com

Basic Information

- Place of Origin: China
- Brand Name: HuaZhiyu
- Model Number: T512
- Minimum Order Quantity: 1
- Price: From 199,900 RMB
- Payment Terms: T/T

Product Specification

- Body Length: 5990mm
- Body Width: 2300/2250mm(without Awning)
- Vehicle Height: 2700mm
- Body Color: White + Green
- Frame: High-strength Steel Body Electrophoresis
- Hang: Twin Shock Absorber Coil Springs Independent Suspension
- Interior Width * Inner Height: 2100*1935mm
- Envelope Length: 5030mm
- Curb Weight: 1470/1560KG
- Maximum Total Mass: 1600kg
- Top Speed: 100km/h
- Wheelbase: 3640mm
- Braking System: Electric Brake Brake + Parking Brake + Accidental Brake

Product Description

China High Quality Hard Top Camping Multifunctional Trailer RV, Elegant Travel Trailer, Resort Grade RV, Luxury Trailer
Electrophoresis high-strength steel chassis

Twin shock absorber coil springs independent suspension

The independent suspension of double shock-absorbing spiral springs reduces the feeling of driving bumpiness through the shock absorber and coil spring deformation buffer and shock absorption. The mechanical anti-sway traction seat can effectively control the lateral swaying, up and down of the RV, and prolong the service life

Cathodic electrophoresis process

16 processes, salt spray test 1000h, 8-10 years without rust. The frame has been professionally analyzed by CAE and tested for 160,000 kilometers of actual road conditions at the national test site

Our Product Introduction

Mature electric brake system

Electromagnetic signal conduction controls the braking, and the braking force of the tractor and the RV is basically the same, avoiding the uphill without braking, high-intensity impact or drag of the traditional crash braking system

Move-in, all-round home

Twin beds or longitudinal double beds are available

98L refrigerator, vegetable sink, microwave oven, gas pull-out stove, household air conditioner

150L clean water tank, gas water heater, toilet bowl, 3kW charging inverter all-in-one machine, 400Ah lithium battery, 800W solar panel

Maternal and infant level environmental protection and health RV

ENF grade bean board, formaldehyde content is only 1/3 of the E0 standard, brand environmental protection glue water-based ink floor leather + floor leather hot melt adhesive process, edible starch hot melt adhesive paste, no formaldehyde and organic solvents, people contact with the floor as safe as reading a book integrated foam seat, no binder, odor level ≤ 3.0

Control of the whole process of vehicle manufacturing

From the advanced research and development of products, strict selection of materials, lean manufacturing, and strict quality control, we have built a three-dimensional integrated manufacturing system of "parts → systems, and a whole vehicle".

Security escort

Automotive-grade battery PACK technology/automotive-grade circuit design/low center of gravity design/load balance/PEX water pipe + PE water tank/fire protection full coverage of interior materials

Vehicle configuration

Chassis configuration Chassis configuration			• Standard • Optional • Standard • Optional	
Configuration description Configuration Description			Twin beds Twin single beds	Longitudinal bed longitudinal bed
Chassis configuration Chassis configuration	Frame chassis	High-strength steel monolithic electrophoresis Integral electrophoresis of high-strength steel	•	•
	Suspension suspensions	Twin shock absorber coil springs independent suspension Independent suspension with double-damped coil springs	•	•
	Braking system braking system	Electric brake brake + parking brake + accidental brake Electric Brake Brake + Parking Handbrake + Accidental Brake	•	•
	Balance system balance system	Manual front support wheel + four support legs Manual front support wheel + four support legs	•	•
	Traction seat traction seat	Mechanical anti-sway traction seat Mechanical Anti-Sway Traction Seat	•	•
Exterior configuration Appearance Configuration	Envelope	Sandwich structure sandwich construction	•	•
	Dash hatch Foregrip hull	There is a nose chamber body Foregrip hulls	•	•
	A frame trim A-frame trim	A-frame ABS trim A-frame ABS trim	•	•
	Extrapolation window sliding window	hollow acrylic push-out window/sliding window, Hollow acrylic exterior sliding window/sliding window, Built-in screen window + blackout curtain Gauze window + blackout curtain	•	•
	Get on the door get in the car door	Motorhome passenger door with screen door Passenger door with screen door for RVs	•	•
	Move the handbars Handle	2 each before and after 2 each front and back	•	•
	Awnings awnings	Manual awnings Manual Awnings	•	•
	mark time	Manually folded one-stage telescopic step Electrically folding one-stage telescopic step	•	•
	Interior style	Dark interior (grey teak interior style) Light interior (Australian walnut interior style)	•	•
	Booths	Sitting card seat + height-adjustable desk, bed can be shared U-shaped card seat + height-adjustable table, which can share the bed	•	•
Furniture upholstery	furniture	Wall cabinet/cabinets/wardrobes	•	•
	Baseplate Leather	Quartz sand triangular stripes	•	•
	Bed curtains	Pull curtains at the front bed and at the back	•	•
	Indoor control table	Stainless steel basins, faucets	•	•
	External cooktop	External gas pull-out cooktop	•	•
Kitchen and bathroom system	Refrigerator	96L Frost Refrigerator (55L Freezer Zone) 142L Thetford fridge	•	•
	Gas water heaters	Gas water heaters	•	•
	microwave oven	220V microwave oven	•	•
	restrooms	figure rack, figure rack, Makeup mirror, towel bar, ventilation fan	•	•
	Chin-Yien	Pick-up ceremony	•	•
electrical system	Living Zones	12V 24V	•	•
	power system	400Ah lithium battery (12V) 200Ah lithium battery (24V) 3kW Charging Reverse Desk	•	•
	Tai huien	8 flexible solar panels 800W/MPPT charger 10 flexible solar panels 1000W/MPPT charger	•	•
	control panel	Centralized control panel with water level display, Integrated control of lights/pumps etc.	•	•
	Lighting fixtures	Interior ceiling light/reading light/ambient light, Outside Lighting Lights,LED Signal Lights	•	•
	Hyun	24-inch LCD	•	•
	Chapters and others	Outside utility input/output, 10m cable, 13-pole plug, socket and USB charging port	•	•
	air conditioning system	refrigeration 220V Home Cold and Warm Sky 24V DC Inverter air conditioner (24V system)	•	•
	Water box	150L water box, 80L ash water box	•	•
	Hydrolysis	Outside gravity water filter, inside water pump, plug-in connector	•	•
Hydrographic System	Intake	Outside water pickup + A-frame faucet	•	•
	Tank heating	Fresh water tank heating and anti-freezing Gray Water Tank Heating and Anti-Freeze	•	•

Chapters and others	alarm (e.g. burglar or fire alarm)	alarms	Smoke alarms, fire gas	•	•
	Firearms	1 pc 1kg dried powder mobilisation fire machine 1 pc 1kg dried powder mobilisation fire machine		•	•
	vehicle accessories	chains	Tire removal kit, safety	•	•
Options	Motorized carts	system	Motorized vehicle mover (12V)	○	○
	Huang-hsien	Hsiang-hsien		○	○
	Drawing desk	Smoker (12V system)		○	—
	Washing desk	Washing desk		○	○
	control	four-way monitoring	Driving ParkingTwo with	○	○
	Charging Plug	plug	A-frame traveling charging	○	○
	Warmth		Diesel heated fan, bathroom with air outlet	○	○
	headwind	fan	Header window (no ventilation	○	○
	ventilation system		Living room ventilation fan	○	○
					
Appendix: Flat Cloth Bureau (Reference)					
Longitudinal bed					
备注: Remarks:					
1.电动机车器 无电动机车器, 142L塑料保温冰柜, 24英寸电视, 洗衣程序可选;12V系统可选; 1.Motorized mover: optional without motorized movable step, 142L, Thetford refrigerator, 24-inch TV, washing machine; 12V system is optional.					
2. Drawing desk: 双床床, 12V系统可选; 2. Drawing desk: twin single beds, 12V system optional.					
3. Washing desk: 无电动机车器, 电动机车器, 24英寸电视可选; 3. Washing desk: optional in the absence of a motorized vehicle lift, motorized activity step, 24-inch television.					
4.顶风窗(无排气扇)和顶行排气扇二选一。 4. Top air window (no ventilation fan) and living room ventilation fan two options.
