### Product Description

Safe, reliable, durable, retro style, beautiful, fully equipped luxury caravan, luxury glamping trailer  
**Travel back in time at a glance and feel the luxury of the secret place**  
**Retro romantic style, camp treasure check-in point**

Crafted by artisanship  
Safe and reliable

Our Product Introduction

The body is made of high-strength aluminum alloy skeleton + XPS thermal insulation foam + weather-resistant glass fiber reinforced plastic plate + GMT interior plate, which has passed the CAE analysis of Yutong National Technology Center, which is safe and reliable

Vintage style  
Elegant and warm

Black walnut interior + environmentally friendly printed floor leather, retro beauty, no need to deliberately decorate

Horizontal double bed + sitting card seat bed design, wake up by the sun in the morning, the beautiful scenery outside the window, ignite the joy of the family

The TV, air conditioning and storage space under the bed are abundant, so you can enjoy a home-like stay

Intimate bathroom, comfortable and convenient  
Separate wet and dry toilets

Household toilets, sinks, vanity mirrors, and showers are all available

The details are carefully considered, and getting up early is no longer fighting for washing

Durable, low-cost operation

Cathodic electrophoresis process, 16 electrophoresis processes to treat the salt spray resistance of electrophoretic coating for 1000h, 8-10 years of non-corrosive rain sealing test, 360° high-pressure water spray for more than 30 minutes, no 1 drop of water in the car than temporary buildings, fixed buildings The investment cost is lower, and the drainage is accelerated

Interior appreciation

The company is a production and trading company, you can tell us your needs and target products, we can carry out a full range of customization
