Our Product Introduction

Product Description

Hard Top Camping Caravan Hotel Caravan, Luxury Trailer RV, High-end Camping Trailer, Portable Living Space RV
Durable, better benefits, selection of materials, cathodic electrophoresis, and extended service life of the product

"The sound is loud, the elephant is invisible"

The exterior design of the Y9-S2 Hotel camp trailer is in line with the traditional aesthetic and philosophical concepts

Body design

The white body is embellished with the artistic conception of light blue landscapes, and the sense of modern technology and natural scenery contrast with each other

Excellent thermal insulation

The thickened envelope is not afraid even in cold areas below -20°C

Luxurious interiors for ultimate indulgence

Walnut-style furniture, decorated with classical Chinese charm, who would have thought that this is not a hotel, but a car; The birds and flowers outside the window are blended with the elegant pattern in the car, so as to achieve the integration and unity of people, cars and nature

Such as the warm sun, step by step comfort, look up, carefully arranged atmosphere lights, let you feel like a warm sun; Bow your head, high-quality imitation solid wood floor leather, let you feel comfortable step by step

Extra-large space, body and mind to stretch out

The wide body brings a spacious interior space, so that you are no longer cramped, walking, sitting and lying down, and stretching to your heart's content

Dry and wet separation in the bathroom, dry and wet separation in the shower room, washing area, and toilet area; The bathroom adopts well-known brands such as Wrigley and Jiumu; Although you are away from home, you will feel like you are in a luxury hotel, and the quality of life will not be compromised

Optional oversized bathtub, can accommodate all your happiness, but also wash away your day's fatigue, when the mist rises, the fragrance is permeated, for a moment, surrounded by happiness and romance, play light music, and a glass of red wine, this is what a good life looks like

Durable, low-cost operation

Cathodic electrophoresis process, 16 electrophoresis steps
Electrophoretic coating salt spray resistance of 1000h, 8-10 years non-corrosive rain sealing test, 360° high-pressure water spray for more than 30 minutes, no 1 drop of water in the car than temporary buildings, fixed buildings The input cost is lower, and the drainage is accelerated
