Basic Information

- Place of Origin: China
- Brand Name: HuaZhiyu
- Model Number: T536 parent-child version
- Minimum Order Quantity: 1
- Packaging Details: It depends on the size of the vehicle
- Delivery Time: negotiate
- Payment Terms: T/T
- Supply Ability: It depends on the production situation of the factory

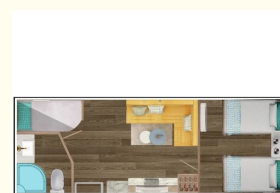

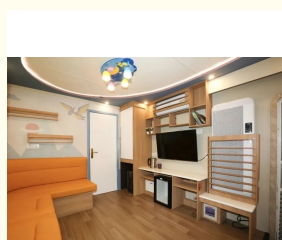

Product Specification

- Manufacturer: HuaZhiyu
- Color: Customizable
- Vehicle Chassis: The Chassis Adopts Electrophoresis Process, And The Damping Glue Is Sprayed For Chassis Anti-corrosion Treatment
- Body Exterior: Aluminum Skeleton Diamond Seal + High-density XPS Foam + FRP
- Body Size: 9470*3000/3100*3270 mm
- Whether Customization Is Supported: Support All-round Customization
- Vehicle Features: The Level Of Environmental Protection Is Better Than The National Standard
- Hang: Suitable For Most Road Conditions
- Highlight: **9470*3000 Steel Chassis,**

Product Description

Product Description:

The interior of the Highway Trailer RV is designed with full fire protection coverage, ensuring the safety of its occupants. Additionally, the trailer features a dual shock absorber spiral spring independent suspension, providing a smoother and more comfortable ride. The panoramic sunroof allows for natural light to flood the interior, making it feel even more spacious.

Whether you're on a road trip, camping adventure, or just need a place to call home while on the go, the Highway Trailer RV is the perfect solution. With its large space, good privacy, and complete configuration, it's the ultimate home away from home. So why wait? Invest in the Highway Trailer RV today and start exploring the world in comfort and style.

Features:

Product Name: Highway Trailer RV

Manufacturer: HuaZhiyu

Color: Customizable

Vehicle description: The Vehicle Has A Large Space, Complete Configuration, Good Privacy, And A Panoramic Sunroof

Body size: 9470*3000/3100*3270(mm)

Vehicle features:

Low Center of Gravity Design

Interior materials with full fire protection coverage

High strength anti torsion box

The Level Of Environmental Protection Is Better Than The National Standard

Technical Parameters:

Vehicle description	The Vehicle Has A Large Space, Complete Configuration, Good Privacy, And A Panoramic Sunroof
Whether customization is supported	Support All-round Customization
Manufacturer	HuaZhiyu
Body exterior	Aluminum Skeleton Diamond Seal + High-density XPS Foam + FRP
Vehicle chassis	The Chassis Adopts Electrophoresis Process, And The Damping Glue Is Sprayed For Chassis Anti-corrosion Treatment
Body size	9470*3000/3100*3270(mm)
Color	Customizable
Vehicle features	The Level Of Environmental Protection Is Better Than The National Standard, Electromagnetic signal transmission control brake, PEX water pipe+PE water tank, Water based ink floor leather+hot melt adhesive process for floor leather
hang	Suitable For Most Road Conditions

Applications:

The product is suitable for most road conditions, thanks to its dual shock absorber spiral spring independent suspension. This feature ensures that the vehicle remains stable on uneven surfaces, and the electromagnetic signal transmission control brake system provides additional safety measures. Therefore, the Highway Trailer RV is an ideal solution for people who want to travel to different locations with varying road conditions.

The product is designed to support all-round customization and has a customizable color. This feature allows customers to tailor the product to their specific needs and preferences. Moreover, the product has a large body size of 9470*3000/3100*3270(mm), which provides ample space for occupants and their belongings. This feature makes it an ideal solution for families or groups of friends who want to travel together.

The product has a high standard waterway pressure-resistant trailer RV, which ensures that occupants remain safe and protected from harsh weather conditions. This feature makes it an ideal solution for people who like to travel in different weather conditions.

The product also has a panoramic sunroof, which provides a great view of the surroundings. This feature makes it an ideal solution for people who want to travel and enjoy scenic views.

In conclusion, HuaZhiyu Highway Trailer RV is a versatile product that is suitable for a wide range of product application occasions and scenarios. Whether you are traveling with family or friends, going on a road trip, or exploring different terrains, this product is an ideal solution. Its features, including dual shock absorber spiral spring independent suspension, electromagnetic signal transmission control brake system, high standard waterway pressure resistant trailer RV, and panoramic sunroof, make it an excellent choice for anyone looking for a high-quality trailer RV.

Customization:

Brand Name: HuaZhiyu

Place of Origin: China

hang: Suitable For Most Road Conditions

Color: Customizable

Body exterior: Aluminum Skeleton Diamond Seal + High-density XPS Foam + FRP, High strength anti torsion box

Vehicle chassis: The Chassis Adopts Electrophoresis Process, And The Damping Glue Is Sprayed For Chassis Anti-corrosion Treatment,

Car grade battery pack technology, Electromagnetic signal transmission control brake

Whether customization is supported: Support All-round Customization
